

LET'S GO BOWLING

With Darlene Cope

Top news of the week! The Homel brothers (Jerry, Bob and Leonard) have just signed the country's top bowler, Steve Nagy, and California's top bowler, Dick Jensen. These stars will represent the National Bowling League, which is controlled by owners of Jefferson Bowl and General Manager of Gable House.

Jerry Homel stated, "We hope the L.A. team will be the top team of the nation." After the first of next year Steve Nagy will visit Gable House and will be available for instruction. Last Thursday afternoon Gable was honored by the presence of a lady top bowler, Robbie Frey. While talking to her, I learned that she ended last season with an 187 average, but in tournament play of 8-12 games she can easily average a 205. Miss Frey added a personal thought by saying that some days you

can do no wrong and the next day nothing works properly and you are ready to give up the sport. Robbie is employed by Brunswick and they are soon to have their elimination roll-offs to determine which bowlers will compete in the Nationals at San Bernardino in January.

Robbie Frey and Jerry Homel looked on while Norm Belt conducted a "Spare Pick-up Class." Jerry didn't quite agree with the new method so had to be shown with a complete demonstration. Norm had 5 pairs of shoes and 3 bowling balls carefully placed on one lane to demonstrate his point. When the instructors disagree over positions and angles, how can we pupils learn correctly? When Norm wasn't getting razzed by Jerry Homel, he was around flustering the girls trying to bowl—especially Pat Harold. It all boils down to the fact that there are basic fundamentals and each bowler has to judge by his own throw of the ball. Norm Belt, Dale Quay, Jack Frybaum and Arnie Sherrill have just recently finished the Buddy Bomar Instructor School.

Three 200 games were rolled at Gable House last Wednesday, when the "Centinela Classic Traveling League" met. The ladies rolling the scores were Shiz Amano, 217; Betty Van Doren, 211; Dot Seads, 201.

The Scatter Pin League, which bowls on Wednesday morning, congratulated two girls on picking up hard splits. Jean Brunner sprayed the 8-10 and Shirley McKay blasted the 7-9. Your trophies will be ready soon, girls.

RED-TIE: I'll make a deal with you. Next time the Chargers come home give me a ring and we'll make it a twosome.

I finished my breakfast, thanked and tipped the beauty who had served me, and departed. It's not every day that someone else also agrees with the way you see and interpret a situation.

League Standings

Evans Goes for 3rd Win

Newhall's Bill Evans will be shooting for his third straight main event victory in Saturday night's nine event stock car racing program at Saugus Stadium.

Evans broke the winning streak of Oldsmobile powered cars with his number 156 Ford and has greatly strengthened his position in Pacific Racing Association championships standings.

Saturday's race marks the semi final evening event for the popular P.R.A. stock cars who have enjoyed a successful season at the north alley third mile speedway.

The racing season is to be climaxed on Oct. 29th with a 100-lap Gold Trophy championship race paying \$1,000.00 to the winning driver.

TEND TO OVERPLANT

Most of us tend to overplant even in large gardens. When we do this in small gardens, an inevitable mass of formless overgrowth results. In small spaces, gardening must be done on a modest scale.

BEARS BY 14 OVER LA SUNDAY

Early morning odds placed the winless Los Angeles Rams as two touchdown underdogs in their coming National Football League encounter Sunday with the Chicago Bears at the Coliseum. A crowd of 60,000, low for a Bear-Ram tilt, is expected.

DWARF CONIFERS
Liberal use of dwarf conifers as the spreading Junipers can be made to achieve uniformity and modesty. Dwarf Citrus and such compact shrubs as the India Hawthornes should also find their way into the permanent framework from which the small garden evolves.
